

Landax Help

WELCOME TO LANDAX HELP

Landax Help is a guide on how to use the EG Landax system.

The user guides are sorted into modules in the menu, with subpages providing guides and explanations of the various functions.

Our [blog](#) provides news and articles about EG Landax.

If you would like consultancy services, or to change your module package, [contact us](#).

INFO: The English version of the user guide is still under construction
